02 Company Overview

Who we are, what we stand for, and what we do

[Company Name] is a professional home service company providing reliable, safe and affordable services to households and small businesses in [City / Service Area]. Our trained, background-verified technicians arrive on time, work cleanly and stand behind every job.

Mission

To make home maintenance effortless by delivering dependable service, transparent pricing and respectful care for every customer's property.

Vision

To become [City]'s most trusted home service brand, known for quality work and long-term customer relationships.

Core Values

- **Reliability** – we show up when we say we will.
- **Transparency** – clear quotes, no hidden charges.
- **Quality** – work is inspected before we leave.
- **Safety** – for our customers, our team and your property.
- **Respect** – we treat every home as if it were our own.

Our Services

Category	Examples of Work	Typical Duration
Plumbing	Leak repair, tap/fixture install, drain cleaning	1 – 3 hours
Electrical	Wiring faults, switches, fans, fittings	1 – 3 hours
Appliance Repair	AC, washing machine, refrigerator, geyser	1 – 2 hours
Cleaning	Deep cleaning, kitchen, bathroom, sofa	3 – 6 hours
Pest Control	General and targeted treatments	1 – 2 hours
Painting & Carpentry	Touch-ups, furniture assembly, repairs	Quoted per job

Edit the service list above to match what you actually offer.

03 Service Booking & Scheduling Policy

How customers book, reschedule and receive service

Booking Channels

Customers may book through our website, phone ([Phone Number]), WhatsApp ([Number]) or email ([Email]). Every booking receives a confirmation message with a job ID, service type, date, time window and technician details.

Operating Hours & Service Area

Item	Details
Working days	Monday – Saturday (Sunday: emergency services only)
Working hours	9:00 AM – 7:00 PM
Emergency support	[24/7 or time range] – extra charge applies
Service area	[List cities / pin codes covered]

Scheduling Rules

- Standard bookings are confirmed within **2 hours** during working hours.
- Technicians arrive within the chosen **2-hour time window**; a call is made 30 minutes before arrival.
- If we are delayed by more than 30 minutes, the customer is informed immediately and may reschedule free of charge.
- An adult (18+) must be present at the property during service.
- Customers should clear the work area and provide safe access to the site (water, power, parking where relevant).

Rescheduling

Customers may reschedule free of charge up to **4 hours** before the scheduled window. Later changes may attract the visit charge described in the Cancellation Policy.

Service Level Targets

Priority	Example	Target Response
Emergency	Burst pipe, electrical sparking, gas smell	Within 2 hours
Urgent	No water/power in part of home, AC failure	Same day
Standard	Routine repair or installation	Within 48 hours
Planned	Deep cleaning, painting, scheduled maintenance	As agreed

04 Pricing, Payment & Cancellation Policy

Transparent charges and fair terms

Pricing Principles

- A **visit / inspection charge** of [Amount] applies to diagnose the issue; it is adjusted against the final bill if the customer proceeds with the repair.
- A written or digital **quote is shared before work starts**. No work begins without the customer's approval.
- If additional work is discovered, we pause, explain the issue and obtain approval for any change to the quote.
- Spare parts and materials are billed separately at the quoted rate. Original receipts can be provided on request.

Payment Terms

Job Type	Payment Schedule
Small repairs (under [Amount])	100% on completion
Medium jobs	50% advance, balance on completion
Large / project jobs	30% advance, 40% at midpoint, 30% on handover

Accepted modes: UPI, bank transfer, debit/credit card and cash. A tax invoice (including GST where applicable) is issued for every job. Overdue payments may be subject to a late fee of [x]% per month.

Cancellation & Refund Policy

When the customer cancels	Charge / Refund
More than 4 hours before the visit	No charge – full refund of any advance
Within 4 hours of the visit	Cancellation fee of [Amount]
Technician already on site / at location	Visit charge of [Amount] applies
Company cancels or cannot attend	Full refund or free reschedule – customer's choice

Refunds are processed to the original payment method within **5 – 7 working days** after approval. Disputed charges must be raised within 7 days of the invoice date.

05 Warranty & Satisfaction Guarantee

Our commitment to the work we perform

Service Warranty

All completed work is covered by a workmanship warranty from the date of the invoice. If the same fault recurs within the warranty period due to our workmanship, we will fix it **free of charge**.

Service	Workmanship Warranty	Parts Warranty
Plumbing	30 days	As per manufacturer
Electrical	30 days	As per manufacturer
Appliance repair	30 – 90 days	As per manufacturer
Painting / carpentry	90 days	Not applicable
Cleaning & pest control	7 days (re-service)	Not applicable

What Is Not Covered

- Damage caused by misuse, accidents, power surges or natural events.
- Repairs or tampering by a third party after our visit.
- Normal wear and tear, or faults unrelated to the work performed.
- Parts supplied by the customer (we do not warrant them).

Satisfaction Guarantee

If you are not satisfied with a job, tell us within **48 hours** of completion. We will send a supervisor to review the work and, where the fault is ours, re-do it at no cost. Our aim is to resolve every concern within **3 working days**.

How to Claim

- Contact us on [Phone / WhatsApp / Email] quoting your **job ID**.
- Share a short description and photos or video of the issue.
- We schedule a free inspection visit within 48 hours (emergencies sooner).
- We repair, replace or refund as appropriate and confirm in writing.

Adjust the warranty periods above to what you are comfortable honouring.

06 Privacy & Data Protection Policy

How we collect, use and protect customer information

Information We Collect

- Contact details: name, phone number, email and service address.
- Booking details: service requested, date/time, photos or notes you share.
- Payment details: transaction reference only – we do not store full card numbers.
- Website data: cookies and basic analytics to improve our site.

How We Use It

- To schedule, perform and follow up on services.
- To send confirmations, reminders, invoices and warranty communication.
- To improve service quality and handle complaints.
- To meet legal, tax and accounting obligations.

Sharing & Disclosure

We **never sell** customer data. Information is shared only with assigned technicians (for the specific job), payment processors, and authorities where legally required.

Security Measures

- Customer records are stored in access-controlled systems with unique staff logins.
- Technicians see only the details needed for their assigned jobs.
- Staff sign a confidentiality agreement; breaches lead to disciplinary action.
- Photos taken at customer premises are used only for job records and quality review.

Customer Rights

Customers may request access to, correction of, or deletion of their personal data at any time by writing to [Privacy Contact Email]. We respond within **15 working days**. Marketing messages can be stopped at any time by replying STOP or contacting us.

Data Retention

Job and invoice records are retained for [x] years for accounting and warranty purposes, after which they are securely deleted.

07 Health, Safety & Insurance Policy

Protecting customers, technicians and property

General Safety Rules

- Technicians use correct tools, tested equipment and required protective gear (gloves, goggles, masks, safety shoes).
- Electrical work: power is isolated and tested before work begins; no live work except where unavoidable and approved.
- Work at height: stable ladders/platforms only; a second person assists on jobs above 2 metres.
- Chemicals (cleaning, pest control): approved products only, labelled and used per instructions; customers and pets are advised on re-entry time.
- Work areas are protected with floor/furniture covers and are cleaned and left tidy.

Incident Response

Step	Action
1	Make the area safe and stop work if there is any danger.
2	Provide first aid; call emergency services (112) if required.
3	Inform the supervisor at [Phone] immediately.
4	Record the incident (date, place, people, cause, photos).
5	Management reviews within 48 hours and takes corrective action.

Insurance & Liability

- The company maintains [public liability / workmen's compensation / equipment] insurance: Policy No. [Number], valid until [Date].
- Damage caused by our negligence is repaired or compensated after inspection; claims must be reported within 48 hours.
- We are not liable for pre-existing defects, hidden structural issues or valuables left unsecured.

Customer Responsibilities

Please keep children and pets away from the work area, secure valuables and inform us of any known hazards (old wiring, asbestos, gas lines) before work begins.

08 Technician Code of Conduct

Standards every team member agrees to follow

Professional Behaviour

- Wear the company uniform and ID card at all times; arrive clean and well-presented.
- Greet customers politely, introduce yourself and explain the job before starting.
- Never use abusive language, argue with customers or work under the influence of alcohol or drugs.
- Do not smoke, chew tobacco or use phones for personal calls inside customer premises.
- Remove or cover shoes as the customer prefers; respect closed rooms and private areas.

Honesty & Integrity

- Quote only the approved price; **never ask for tips, extra cash or off-record payments**.
- Never recommend unnecessary parts or services.
- Return all cash, receipts and unused materials accurately; report any damage immediately.
- Do not take photos beyond the work area or share customer details.

Quality Standards

- Complete the job per the approved scope and company checklist.
- Test the work in front of the customer before closing the job.
- Clean the area and dispose of waste responsibly before leaving.

Hiring & Training

All technicians undergo identity and address verification, a reference check and skills assessment before joining, followed by onboarding on safety, customer service and this handbook. Refresher training is held every [6] months.

Disciplinary Action

Level	Examples	Action
Minor	Late arrival, uniform lapse	Verbal warning, coaching
Major	Rude behaviour, repeated complaints	Written warning, retraining
Serious	Theft, harassment, fraud, working intoxicated	Immediate suspension / termination, legal action if needed

09 Operating System: Job Workflow & Complaints

How every job moves from enquiry to closure

Stage	What Happens	Owner	Timeline
1. Enquiry / Booking	Request received; details logged in system; job ID created	Customer Care	Immediate
2. Confirmation	Slot confirmed; technician assigned; customer notified	Dispatcher	Within 2 hrs
3. Pre-visit Call	Technician calls customer, confirms address and ETA	Technician	30 min before
4. Inspection & Quote	Diagnose, share quote, obtain customer approval	Technician	On site
5. Execution	Work done per scope with safety checks	Technician	As quoted
6. Quality Check	Customer sign-off; checklist and photos uploaded	Technician / Supervisor	Before leaving
7. Invoice & Payment	Invoice issued; payment collected and recorded	Technician / Accounts	Same day
8. Follow-up	Feedback call/message; rating requested	Customer Care	Within 24 hrs
9. Closure	Job closed in system; warranty clock starts	Supervisor	Within 48 hrs

Complaint Handling & Escalation

Level	Handled By	Response Time
Level 1	Customer Care Executive	Acknowledge in 4 hours, resolve in 2 working days
Level 2	Operations Supervisor	Resolve within 3 working days
Level 3	Business Owner / Manager	Final decision within 7 working days

Key Performance Indicators

Metric	Target
On-time arrival rate	95% or higher
First-visit resolution	85% or higher
Average customer rating	4.5 / 5 or higher
Repeat complaint rate	Below 3%
Complaint resolution within SLA	95% or higher
